Public Works Department

Jody Kovel
*Superintendent
of Public Works*

Ken Tucker
*Deputy
Superintendent
of Public Works*

Matt Struve
*Building
Inspector*

Our Public Works Department asks you to remember:

Grass clippings and leaves must be put in a Biodegradable paper bag. Any small particles, such as gravel, dirt, rocks, broken wood, glass, etc. also need to be put into Biodegradable paper bags and must not weigh over 40 pounds when loaded.

Please sort these different items for each bag. Please do not put other garbage into the bags. All items including furniture or appliances should be put into bags and nothing over 8 feet long.

The public works department does NOT pick up:

Car parts, truck parts, old tires, or paint cans. Mobile home parks have designated drop-off areas for grass clippings and branches.

If you have questions regarding our current projects, please call the Village Hall at (708) 579-6700

If you would like to use the Village Truck call the Village Hall at 708-570-6700 to make arrangements to have a truck delivered.

If you are planning larger clean-ups or home repairs you should order a dumpster.
